## ABOUT TIME TRAVEL EVENTS

*Time Travel Events was created with the mission to hold historical one day events through-out Atlanta while benefiting the community the event is held in.*

*The Goblin Market is an evening of real vendors who are selling their wares and fake vendors (the goblins) that are giving away small tokens to attendees as long as a request is fulfilled. Such as.. a dream they once had, their favorite color, a description of their favorite food, or a treasured memory...*

*Live, musical performances enhance the evening.*

*We anticipate over 1000 people to attend. For further demographic information, please contact us via email [timetravelevents@gmail.com](mailto:timetravelevents@gmail.com)*

## WHY SPONSOR?

*The Goblin Market has grown organically as possible without the need of sponsorships or in-kind donations. In order to continue growth and accept more attendees, vendors (who are small businesses), artists, and musicians... we realize that we need help.*

*Some of our staff and goblins travel to participate in The Goblin Market, and we like to compensate for their time and cost as appreciation.*
